Box 2261, Little Rock, Arkansas 72203-2261 or at the following email address: environmentalpimeetings@ahtd.ar.gov.

What is your County of Residence?  Clay  Greene  Lawrence  
 Randolph  Other: \_\_\_\_\_

**What do you believe to be the most critical problem with existing Highway 67? (Choose ONE)**

- High amounts of traffic congestion
- Slow travel times/speeds through the region
- Farm equipment impeding traffic flow
- High number of crashes
- Lack of a four-lane highway impedes economic development
- There is no problem with the existing highway
- Other: \_\_\_\_\_

**Do you believe that there is a need to provide improved transportation between Walnut Ridge and the Missouri State Line?**

- Yes  No  No Opinion

Why or why not? \_\_\_\_\_  
\_\_\_\_\_

**Do you prefer improving existing Highway 67, including city bypasses, or construction on new location?**

- Improve Existing  New Location  No Opinion

Why do you prefer this option? \_\_\_\_\_  
\_\_\_\_\_

**Of the two new location corridors, which do you prefer? (Choose ONE)**

- Alternative 4E/4W – Parallels Highway 90/Railroad
- Alternative 5 – Parallels Existing Highway 67

Why do you prefer this corridor? \_\_\_\_\_  
\_\_\_\_\_

**If Alternative 4 is selected, should the new facility go east (4E) or west (4W) of Corning?**

- East of Corning       West of Corning       No Opinion

Why do you prefer this alignment? \_\_\_\_\_  
\_\_\_\_\_

**Do you agree with the recommendation of removing Alternative 1 (Improve Existing Highway 67 without Bypasses) and Alternative 3E/3W (Southern New Location Alternative) from further consideration?**

- I Agree, Remove Alternatives       Retain Alternative 1  
 Retain Alternative 3E/3W       Retain Both  
 No Opinion

Please explain? \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Do you think that the proposed project to provide improved transportation between Walnut Ridge and the Missouri State Line would have beneficial or adverse impacts on your property and/or community (economic, environmental, social, etc.)?**

- Beneficial       Adverse       No Impacts

Please explain. \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Are you aware of any environmental or other constraints that should be considered in the development of this project?**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Please make additional comments here.** \_\_\_\_\_
